ONLINE FORMAT: Project Learning Tree K-8 Training; Have you always wanted a copy of PLT's award-winning curriculum, but have been too far away or time-constrained to attend a typical workshop? You're in luck...now you have an online option! This online workshop is specifically designed to help you engage your students in learning about the environment--both outside and indoors--while meeting your PD requirements on your own time, at your convenience. Participants receive an online copy of PLT's Environmental Education Activity Guide after completing the 4 hour self-paced workshop.
