

Game of Survival: Fish Style!

Directions: Use the chart below to help figure out the structures of your fish.

1. Flip a coin to figure out the shape of your fish: heads for torpedo, tails for flat.
2. Flip a coin to figure out the mouth of your fish: heads for normal, tails for sucker/vacuum.
3. Flip a coin to figure out the color of your fish: heads for light grey, tails for vertical stripes.
4. Flip a coin to figure out where the eyes of your fish will be: heads for the top, tails for the sides.

Coin Toss: Heads	Coin Toss: Tails
Torpedo Shape	Flat, Panfish Shape
Normal Mouth with Teeth	Sucker/Vacuum Mouth with Barbels
Light Grey with white Spots on the Back	Vertical Stripes with Dark Top and White Belly
Eyes on the Top of the Head	Eyes on the Sides of the Head
